### **EMGOLD RETAINS RED CLOUD KLONDIKE STRIKE FOR STRATEGIC ADVISORY SERVICES AND MANAGEMENT UPDATE**

**Vancouver, British Columbia - Emgold Mining Corporation (TSX-V: EMR)** (“**Emgold**” or the “**Company**”) is pleased to announce that it has retained the services of Red Cloud Klondike Strike Inc. (“**RCKS**”) to assist the Company with its capital markets outreach and merger and acquisition opportunities.

RCKS is a 'new concept' capital markets advisory firm dedicated solely to the mining sector. It uses its global network of capital markets specialists and extensive experience in the many facets of the business to help companies identify alternative sources of capital and quality actionable growth/divestiture opportunities, and to generate and maintain important relationships with key investors. RCKS is registered as an Exempt Market Dealer (EMD) in all provinces of Canada, as well as the Yukon, and is subject to applicable securities regulation.

Emgold also announces the resignation of Lisa Mawell as Corporate Secretary of the Company effective May 31, 2019 and the appointment of Steven Cozine as Corporate Secretary effective June 1, 2019.

#### **About Emgold**

Emgold is a junior gold exploration company focused on Nevada and Quebec. The Company’s strategy is to look for asset acquisitions and divestitures, joint ventures, option, royalty, and other business opportunities to advance the Company and create value for our shareholders. Our properties include the Golden Arrow, Buckskin Rawhide East, Buckskin Rawhide West, and Koegel Rawhide Properties in Nevada and an option to acquire up to a 91% interest in the Casa South Property in Quebec, adjacent to Hecla Mining Corporation’s operating Casa Berardi Mine. The Company has a strategic investment of 3.75 million shares of Troilus Gold Corporation (**TSX: TLG**) which is advancing the Troilus Gold Project in Quebec. For more information on the Company, investors should review the Company's filings that are available at [www.sedar.com](http://www.sedar.com) or the Company's website at [www.emgold.com](http://www.emgold.com).

***Cautionary Note on Forward-Looking Statements***

This news release contains forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable Canadian and U.S. securities legislation, including the United States *Private Securities Litigation Reform Act* of 1995. All statements, other than statements of historical fact, included herein including, without limitation, statements regarding the anticipated results from exploration activities, the discovery and delineation of mineral deposits/resources/reserves and the anticipated business plans and timing of future activities of the Company, are forward-looking statements. Although the Company believes that such statements are reasonable, it can give no assurance that such expectations will prove to be correct. Forward-looking statements are typically identified by words such as: "believe", "expect", "anticipate", "intend", "estimate", "postulate" and similar expressions, or are those, which, by their nature, refer to future events.

The Company cautions investors that any forward-looking statements made by the Company are not guarantees of future results or performance, and that actual results may differ materially from those in forward-looking statements as a result of various factors, including final acquisition of the Casa South Property, further exploration, development, or mining activities on the Casa South Property, or its other Properties, operating and technical difficulties in connection with mineral exploration and development activities, the estimation or realization of mineral reserves and mineral resources, the timing and amount of estimated future production, the costs of production, capital expenditures, the costs and timing of the development of new deposits, requirements for additional capital, future prices of precious metals, changes in general economic conditions, changes in the financial markets and in the demand and market price for commodities, labour disputes and other risks of the mining industry, delays in obtaining governmental approvals, permits or financing or in the completion of development or construction activities, changes in laws, regulations and policies affecting mining operations, title disputes, the inability of the Company to obtain any necessary permits, consents or authorizations required, including TSX Venture Exchange acceptance of any other current or future property acquisitions or financings and other planned activities, the timing and possible outcome of any pending litigation, environmental issues and liabilities, and risks related to joint venture operations, and other risks and uncertainties disclosed in the Company's latest interim Management's Discussion and Analysis and filed with certain securities commissions in Canada. The Company's Canadian public disclosure filings may be accessed via [www.sedar.com](http://www.sedar.com) and readers are urged to review these materials, including the technical reports filed with respect to the Company's mineral properties.

The Company does not undertake to update any forward-looking information provided in this press release or Management's Discussion and Analysis, except as, and to the extent required by, applicable securities laws. For more information on the Company and its business, investors should review the Company's annual information form and other regulatory filings filed with securities commissions or similar authorities in Canada that are available on SEDAR at [www.sedar.com](http://www.sedar.com). The Company reviews its forward-looking statements on an ongoing basis and updates this information when circumstances require it.

Readers are cautioned not to place undue reliance on forward-looking statements. The Company undertakes no obligation to update any of the forward-looking statements in this news release or incorporated by reference herein, except as otherwise required by law.
